END OF THE YEAR ‘GROUP PARTIES’ NOW AT PARTYBEES

Pleasanton, CA –April 15, 2008 – PartyBees, which specializes in themed parties for children aged five to tweens, is offering a special reduced rate for “end of the year group parties” for youth-oriented Sport Teams, Girl Scout Troops, Dance Studios, Cheerleading Squads, Graduation Classes or other clubs or organizations at its facility at 1991 Santa Rita Road, Suite G, in Pleasanton.

Each end of the year party includes the private use of the PartyBees party room for two hours, flyer style invitations, pizza, special dessert, juice, plates, cups, napkins and flatware. There is no room rental fee (a savings of \$120) and the price is \$15/child (min. 10 guests) instead of the typical \$20/child fee. This special offer is not available for birthday parties and cannot be combined with other PartyBees coupons/offers. This offer is subject to availability.

PartyBees also offers seven choices of two-hour, all-inclusive themed parties to fit a range of interests. The parties, for six to 20 children, are held at the PartyBees facility in the Mission Valley Shopping Center, which is decorated to match each theme. Each party includes invitations and thank-you notes, pizza, cupcakes, juice, goodie bags, and a PartyBees T-shirt for each guest and features music, activities, and crafts related to the theme. These celebrations end with a 10-minute show on the facility’s stage.

For more information on PartyBees, including a full description of all the party options and costs, or to book a party, go to www.partybees.com or call 925-202-9077.
